God does not wish Christians to be concerned only for themselves but also to edify others, not simply through their teachings but also through their lifestyle and the way they live it.

Saint John Chrysostom

October 2011

Reverend and dear Clergy, Youth Workers, Coaches of the Direct Archdiocesan District,

Caring for the youngest members of our parishes has always been a priority in the Greek Orthodox Church. The Church has sought to edify and educate its youth through prayer, catechetical programs, retreats, outreach, and athletics. All of these components seek to provide our children with the opportunity to grow closer to God and each other, and gain a better perspective of how it is that we are called to live our lives as children of God.

Over the past decade we have seen the youth ministries of our Direct Archdiocesan District continue to grow and mature. Among several successful programs, Camp Saint Paul stands as an example of District initiatives that makes manifest the joy of God’s grace in the context of ministry. It is spirit filled encounters such as the Camp experience that further promotes the growth and maturity of our youth, both, as good and productive members of society, as well as citizens of the Kingdom of God.

In fulfillment of this sacred aim, I am pleased to forward to you a copy of the new Athletic Ministries Rules and Guidelines Manual of the Direct Archdiocesan District. This manual is intended to encourage consistency in practices and procedures of athletic programs of the Direct Archdiocesan District. In so doing, the spiritual benefits of Christian fellowship and sportsmanship in team sports can be further optimized while the peace and harmony of living in the unity of the faith can be further operational in the life of the Church.

It is my hope that these guidelines will facilitate your valued work for the benefit of the youth of the Direct Archdiocesan District and serve as further encouragement for each of us as God’s people to become a manifestation and reason for the verse, Thanks be to God Who through us spreads the fragrance of the knowledge of Him everywhere. (2 Corinthians 2:14).

With paternal love in Christ,

October 2011

Dear Rev. Fathers, Youth Workers, Advisors, Coaches, Athletes and Parents of the Athletic Ministries of the Direct Archdiocesan District,

“And also if anyone competes in athletics, he is not crowned unless he competes according to the rules.”

2 Timothy 5

The Athletic Ministries of our beloved Direct Archdiocesan District are about more than competition, as they provide an opportunity for the youngest members of our parishes to work together with their peers towards a common goal in a Christian atmosphere. Together with our parish’s Sunday school, HOPE, JOY, and GOYA programs, various district level retreats, local and global outreach opportunities, our Athletic Ministries are an important part of the total youth ministry that takes place in our D.A.D. For over 30 years, the young people of our District have been afforded the opportunity to participate in various sporting events across the region. These Athletic Ministries have become an integral part of our children's fellowship with each other and the Church, and provide a unique opportunity for those participating in the youth ministries of our Church.

Over the course of the past few years, we began a process that sought to create a level of uniformity across all of our leagues to eliminate any confusion, promote the safety of our children, and foster a true Orthodox Christian environment. Today, with the blessing of His Eminence Archbishop Demetrios, I am proud to present the new Athletic Rules and Guidelines Manual. This Manual will provide for the first time a standardized set of rules and regulations that will be in effect for every League of the D.A.D Youth Office. The rules and regulations contained in this manual have not been put together arbitrarily, but with the thoughtful and dedicated work of an amazing Committee, who I must thank for their diligent work and devotion.

While initial purpose of this process was to codify our rules and regulations, our committee also took this as an opportunity to review the current rules and eligibility standards and devise new ways to continually strengthen our children’s experience within our Athletic Ministries, both in terms of the sports themselves and of their relationship with our Orthodox faith. Working towards this ultimate goal of strengthening our children's faith, we have instituted several changes.

For example:

1. **Beginning with the 2011-2012 Seasons, every participant (ages 12-18) in any D.A.D Athletic Ministry must attend both yearly Advent and Lenten retreats for their respective local regional area.**

   *It has been an unfortunate observation that a large percentage of our young athletes come to Church ONLY for sports practices and games, and do not attend Divine Liturgy regularly or participate in other spiritually edifying events offered by the Church. This cannot stand any longer. While we certainly want our young athletes to compete and have fun, we also must recognize that the Athletic Leagues of the D.A.D fall within the Ministries of our Church and, as such, we expect their total and full participation in every aspect of the life of the Church, not just the athletic activities.*
2. **Player Eligibility.** Another significant change is the way that each League will be determining the eligibility of its players. In recent years, there have been many questions as to the best approach to eligibility standards and, unfortunately, many Leagues made their own independent determinations, often without any oversight or uniformity. From now on, each League will follow the procedure outlined in the Manual to determine the eligibility of its players. This establishment of a uniform eligibility review process will ensure clarity and transparency as well as fair participation opportunities for all of our young athletes. In addition, we have included mechanisms for appeal so that each appeal may be heard in an open and fair way so as to continue this transparency throughout the entire process.

3. **The establishment of a Team Sportsmanship Award.** This prized trophy will be awarded, in each division of every League, for the actions of the team’s participants (both Coaches and Athletes) during the course of the regular season. At the end of each season, each Head Coach will be asked to cast one ballot for the team in their respective league that they feel is the most deserving of such an honor, other than their own.

There are other changes that have also been made and I encourage each of you to please read through the new *Athletic Rules and Guidelines Manual* so that you can make yourself familiar with new rules.

I look forward to the future of Youth Ministry here in the Direct Archdiocesan District. As I mentioned above, athletics are just one of the many aspects of youth ministry currently being offered in our district. It is the responsibility of each of us as clergy, advisors, coaches and athletes to elevate these Athletic Ministries to the highest possible standards. It is my hope that in the coming years, we will be able to move even further towards allowing Christ and our Orthodox faith to be a strong presence within our Athletic Ministries and our children’s lives. We are Orthodox Christians first, and athletes, coaches and fans second. Every action we take must reflect that we are living in the Light of our Lord, God, and Savior Jesus Christ.

I would be remiss if I did not thank Fr. Peter Orfanakos for his outstanding leadership as the Chairman of the D.A.D Youth Commission and Mr. Nick Kokinakis, who serves as the Athletic Delegate to the Youth Commission. Both these men have worked hard and long towards the final production of this Manual, and their passion for our youth is evident in its contents. A huge debt of gratitude also goes out to the entire Rules, Regulations and Eligibility Sub-Committee of the Youth Commission, each of whom volunteered many hours over the past year to bring all of this together.

Finally, I know that this Manual will slightly alter how we do things in the Direct Archdiocesan District. The purpose of this Manual is to better serve the youth entrusted to our care. That is the intention with which it was conceived and that is the intention in which it is being presented. The safety, protection, physical and spiritual well being of our young athletes must always come first.

I appreciate in advance your cooperation as we move to put these rules and regulations into effect. I also thank you for your patience and understanding as we apply these new rules to our already successful and meaningful athletic ministries. I look forward to continuing to see you throughout the coming year and beyond at our many activities, games, and events!

In Christ,

Rev. Deacon Evagoras Constantinides
Director of Youth and Young Adult Ministries
Purpose: The Youth Commission of the Greek Orthodox Direct Archdiocesan District (hereafter “The Commission”) serves the youth, their parents, and the youth workers of the District by consulting with and assisting the Direct Archdiocesan District Youth Director (hereafter “The Youth Director”), the District clergy, and the Archbishop of the Greek Orthodox Archdiocese of America on matters pertaining to regional and District youth ministry programs. In cooperation with the Youth Director, the commission provides recommendations, direction, structure and oversight to the various regional and District-wide youth ministry programs and events, and works for the development and implementation of new ministries. The Commission also works to promote participation in parish and national youth ministries among the youth of the District. The duties of the commission include, but are not limited to the following:

- Planning, seeking approval for, and implementing regional and district youth ministry programs and events.
- Coordinating regional youth ministry calendars and publishing a comprehensive District-wide calendar of youth ministry events.
- Providing training and resources for clergy and parish youth workers.
- Coordinating and implementing the promotion of local, regional, district wide and national youth programs and events.
- Providing increased connectivity and communication between youth, their parents, and youth workers within the District, and the Archdiocese.
- Providing and overseeing the enforcement of guidelines, rules and regulations for the various athletic leagues and events.
- Resolving questions of eligibility and conflicts within the various athletic leagues and events when they are not resolved by the leagues themselves.

Structure:
The Archbishop is responsible for and has the final authority over all youth ministry activities within the Direct Archdiocesan District.

The Youth Director is the Archbishop’s representative in the planning, implementation, and oversight of all regional and district youth ministry programs and events. The Youth Director is an ex-officio member of the Commission, and his/her attendance is required at all general meetings of the Commission. All District-wide and regional youth ministry events require the approval of the Youth Director as the representative of the Archbishop. The Youth Director is
ultimately responsible to the Archbishop for the youth ministries of the district, and all of the ministries fall under his/her direction. As such, he/she is the primary person of authority for all youth events and programs unless otherwise delegated by the Archbishop. Youth ministry programs and events of the District generally fall under the following hierarchy of supervision:

- The Archbishop
- The Youth Director
- The Commission
- Appointed sub-committees, clergy and assigned coordinator/staff

The Commission is a group of clergy and laity appointed by the Archbishop, each with responsibility for a designated aspect of the district’s youth ministry. However, the various delegates are not to work in isolation, but are to share ideas, expertise, support, and perspective on one another’s realms of responsibility. This cooperative effort will allow for a coordinated approach to youth ministry in the District and for cross promotion of all youth programs and events. The Commission’s responsibilities are two-fold, including consultation and implementation. The Commission is an advisory and consultant body providing expertise and counsel to the Youth Director and Archbishop, and the commission assists the Youth Director for the promotion and sound operation of the District’s youth programs and events.

Guiding Principles: Common goals, mutual accountability and collaboration are to be the guiding principles of the Commission. Cooperation between the Youth Director and the Commission is of paramount importance. Common goals are to be set and evaluated at each meeting, and action points are to be discussed and agreed upon. Frequent communication between the Commission members and the Youth Director is absolutely necessary to the work of the Commission.

Appointments: Appointments to the Commission are made exclusively by the Archbishop. The Youth Director, the Commission chairman, or the Chancellor’s office may make recommendations to the Archbishop. The term of an appointment is to be one year. Appointments may be renewed or revoked at any time and at the sole discretion of the Archbishop.

Sub-Committees: Sub-committees may be formed with the approval of the Youth Director and Chairman.

Positions:

The Chairman supervises all activities of the commission, coordinates and oversees all meetings of the Commission, delegates’ tasks and responsibilities, and represents the Commission to the Archbishop.

The Clergy Representative is responsible to act as liaison between the Commission and the district clergy, via the District clergy fellowship.

The Camping Ministry Delegate consults on all issues pertaining to Camp St. Paul, represents the Commission to the Camp St. Paul director and committee.
Retreats and Special Events Delegate works to coordinate District-wide and or regional retreats (i.e. Great Lent, Advent), as well as District-wide special events. (Special events include an existing program such as GOYA Day Holiday Hill, or the institution of a new or one-time programs, i.e. a folk dance festival, etc.)

Communications and IT Delegate works to coordinate increased connectivity between the Archdiocese and the youth of the District, consults on the modes and content of communication with District youth and their parents, works to coordinate the collection and management of data for youth and parents of the District.

OCF Delegate Represents the Commission to the OCF organizations and chaplains of the District, and consults on the founding of new OCF Chapters.

Young Adult Ministry Delegate represents the Commission to the Young Adult organizations of the District, and consults on the coordination growth of Young Adult ministries.

The HOPE/JOY/GOYA Delegate consults on issues, events and programs designed specifically for HOPE/JOY.

Training and Resources Delegate consults on all issues pertaining to youth ministry training and resources for clergy, youth workers, and parents. He/she makes recommendations and assists the Youth Director in coordinating training events throughout the District.

The Athletic Ministry Delegate consults on all issues pertaining to the leagues and athletic events of the District. He/She oversees the fair implementation of the rules and regulations of each league, coordinates training for coaches, and insures the communication of the District’s definition and expectation of good sportsmanship.

Commission Secretary keeps and distributes meeting and conference call minutes, generates master youth ministry calendar and distributes it to commission members.
PREFACE

The purpose of the Greek Orthodox Direct Archdiocesan District Youth Commission Athletic Ministries Regulations and Rules Subcommittee (herein referred to as “Rules and Regulations Subcommittee”) is to promulgate guidelines for the Athletic Ministries of the Direct Archdiocesan Youth and Young Adult Ministry Office.

These comprehensive guidelines shall constitute the official governing rules of all athletic ministries of the Greek Orthodox Archdiocesan District Athletic League and may be amended only by the Rules and Regulations Subcommittee with the agreement of the Chairman of the Youth Commission and the Youth Commission Athletic Delegate. Finally, the D.A.D. Youth Director shall have the ultimate approval or disapproval of any proposed amendments.

In addition to establishing the rules and regulations for all Athletic Ministries of the Direct Archdiocesan District, said subcommittee shall have oversight of: Player disciplinary and eligibility issues; Player and parent code of conduct violations; Interpretations regarding each Athletic Ministry’s regulations and rules; and the Review Process for same, all in conjunction with the Office of Youth and Young Adult Ministries.

INTRODUCTION

The objective of the Greek Orthodox Archdiocesan District Athletic Ministries is to promote a Christ-centered experience. As a component of Youth Ministry, the Athletic Ministries introduce young people into a viable relationship with Christ and His Church.

The Ministry is meant to foster knowledge of Christian values, fellowship and sportsmanship in conjunction with athleticism by giving our youth the opportunity to interact with their peers from other Greek Orthodox Churches. It should be noted that Athletic Ministries are a benefit to those people that are active members of parishes in the Direct Archdiocesan District.

We are directed by Saint Paul, that “every athlete exercise self-control in all things.” (I Corinthians 9:24)

   a. Each team can hit the ball no more than three times. On the third hit the ball must cross over the net to the other side of the court.
   b. The same player cannot hit the ball twice consecutively. A player can hit a ball to a teammate but not to himself or herself. That player may then hit the ball again on the third hit.
   c. If two players hit the ball at the same time either player may touch the ball on the next hit. “Simultaneous contact” is at the discretion of the Referee.
   d. A front row defensive player may reach over the net to block an attack but an attacker may not reach over the net.

e. The serve must cross over the net. It is allowed to touch the top of the net as long as it then makes it over.

a. The libero is a player specialized in defensive playing.

b. The libero cannot block the ball or attack when it is above the net.

c. The libero cannot overhand set a ball in front of the 10-foot line.

c. A team will forfeit their game if they are not present or able to begin the game 15 minutes after the posted starting time. The forfeit will be counted as a loss for that team.

d. In all other instances a forfeit will be decided by the Volleyball Steering Committee. Their decision made can be appealed to the Rules and Regulations Committee.

12. Playoff Seeding/Tie-Breaker Procedures

a. In the event of a tie at the end of the season the league standings will be determined as follows:

IX. SOCCER

A. Organization

1. The League is organized into 7 divisions for boys and girls:
   a. BI, GI - 7 thru 9 years of age;
   b. BII, GII - 10 thru 12 years of age;
   c. BIII 13 thru 16 years of age;
   d. GIII 13 thru 17 years of age; and
   e. BIV 15 thru 17 years of age.

1. Each community chooses coaches and league representatives.

2. Please refer to Section II for full compliance requirements.

3. The League reserves the right to reject a team from participation.

B. Scheduling

1. There is presently one season – the Fall/Spring.

2. There are 8 games in the Fall and 4 games in the Spring followed by Playoffs.

3. Games postponed for any reason will be rescheduled by the League Director and
the league coaches/representatives involved will be notified.

4. Regardless of the weather conditions and unless otherwise notified, coaches and
their teams must appear on the fields ready to play at the scheduled time of the
game. Non-appearance will subject the team to a possible forfeit. Only the
referee is authorized to cancel the game once he/she enters the field of play.

5. In the event of a downpour during a game all players are asked to wait at the
field for 15 minutes. At that time, the game will resume or be called by the
referee.

6. No game will be rescheduled without the permission of the League Director.

C. Game Procedures

1. FIFA Rules of the Game will apply. They are modified in their application as
follows:
a. Coaches will ensure that team members are at the field 20 minutes prior to the game to ensure all games start on time.

2. The game ball will be provided by the home team. BI, GI and GII divisions use ball size #4, BII, GIII, BIII and BIV divisions use ball size #5.

3. Both teams will be on the same sideline. Parents and spectators will be on the opposite side of the field. No one is permitted behind the goal posts.

4. The coach of each team must line up his team prior to the start of every game and present his player’s ID card to the referee for inspection. If a player does not have his/her ID card he/she will not be permitted to play. No exceptions. If a team does not present its ID cards the game will be forfeited.

5. Teams will play with 7 players on each team including the goalie. If both coaches agree teams may field more than 7 players with a maximum of 11 players.

If a team has a minimum of 5 uniformed players on the field at game time the game must begin. If a team has only 4 or fewer uniformed players, 15 minutes after the scheduled game time, the referee must declare a forfeit and award the victory to the opposing team.

Players may not be loaned between teams to avoid a forfeit. If both teams have fewer than 5 players 15 minutes after the scheduled game time a double forfeit shall be declared.

6. The referee will wait a maximum of 15 minutes before calling a forfeit.

7. Coaches should designate a team captain prior to each game. The captain will report to the referee for the coin toss when requested. The visitor team will call the coin in the air.

8. After the coin toss coaches will line up their players in a single file on the halfway line facing the center circle and the home team captain will conduct a prayer. After the game, at the referee’s signal, each team shall form a line and each player will proceed, led by his or her coaches, and exchange handshakes.

9. Coaches will ensure that each player present shall play in the game. The only exception to this rule is for injury or illness.

10. Team members and the referee are the only persons allowed on the field of play. In the event of an injury the coach may assist the referee on the field, if called by the referee.

11. Coaches will ensure that juice and/or water is available for players between halves.
12. If a game in progress must be stopped and cannot be continued for any reason it shall be deemed completed, provided one half has been finished. If not, the game will continue at a later date from the point of stoppage.

13. In the event a League referee is not available for the game a substitute adult, agreed upon by both opposing coaches, may be used. He/she shall have the same powers as a League referee. If the League referee arrives after the start of the game, he/she should take over.

14. Under no circumstances should another player physically charge the goalkeeper once he/she has possession of the ball. When the goalie has possession, players on the opposing team must step back 5 yards or they will be issued a yellow card.

D. Team Standings

1. In the case of a win a team is issued 3 points.

2. In the case of a tie a team is issued 1 point.

3. In the case of a loss a team is issued 0 points.

4. In the case of a forfeit a team is issued minus 1 point.

5. At the end of the season, in the event of a tie, league standings will be determined in the following descending order. If still tied, the next tiebreaker shall be applied:

   a. Head-to-head record;

   b. Total wins;

   c. Total Forfeit(s) incurred;

   d. Strength of schedule based on adding the total points of season’s opponents for each team. The team whose opponents have the highest points shall have the higher standing.

   e. Coin toss by the League Director.

E. Playoffs

1. The most points will determine the teams making the playoffs at the end of the season. The number of teams making the playoffs shall be determined by the Steering Committee and announced no later than the midpoint of the season.

2. The same rules during the regular season will apply to the playoffs.
3. Exception.
   
a. In the event of a tie game there will be two 5 minute overtime periods. If the game is still tied a penalty kick segment will ensue. The team that scores the most goals at the end of a 5 shot penalty kick segment will win. If still tied, a new one-on-one penalty segment will begin until one team’s player scores a goal and the other team’s player does not. Every player for each team must participate in the 5 shot and one-on-one penalty kick segment before a player begins a second round of kicks.

   The referee will monitor the player order.

4. Ideally all players for each team must have played at least 3 out of 8 games during the Fall season and 2 out of 4 games during the Spring season with their team to be eligible to participate in the playoffs. The exception is if a player was injury and said injury was disclosed to the League Director. The Steering Committee, on a yearly basis, shall determine player eligibility for the playoffs.

F. Rosters

1. Each team may have up to 15 players (JOY/GOYA members) on its roster, which must be submitted to the League Director prior to the start of the season.

2. A 15-year-old player in the GOYA division can either play for the 13-15 yr old division (BIII) or the 16 to 17 year old division (BIV). Once he plays for one team he cannot play in the other division.

3. Roster changes can be made at the beginning of the season. The Steering Committee, on a yearly basis, shall determine at which point all rosters submitted are deemed final.

4. All changes must be submitted to the League Director. The League Director reserves the right to spot check rosters during games. If he determines that a player on the field is not on the roster, it will result in the team forfeiting that game and the player being suspended from playing in the League for the remainder of the season and playoffs.

5. At the beginning of the Spring season a team can add a maximum of 3 players to its roster.

G. Fields and Equipment

1. The referee before each game will provide linesperson flags. They will be returned to the referee at the end of each game.

2. Climbing/hanging, etc. on the goal posts by players/spectators could result in a League suspension. League personnel including coaches and community
representatives, should immediately notify the League Director of any damage done to the goal posts and/or other equipment.

3. Each team is responsible for their team/spectator cleanup of on-field garbage.

H. Uniforms

1. The proper uniform for the League is a numbered matching team shirt, matching shorts, socks, soccer shoes (rubber cleats - NO METAL CLEATS) and shin guards.

2. All players can wear sweatpants or tights under their shorts. The socks must be worn over the pants and shin guards.

3. Goalies must wear a different colored shirt than the rest of their team.

I. Safety Equipment

1. Kneepads, elbow pads, mouth guards, goalie helmets and athletic supports are optional.

2. Players who normally wear glasses have three options:
   a. Not wear glasses while playing;
   b. Use safety (sport) goggles while playing; and
   e. Wear prescription sport glasses.

3. Players with braces must wear a mouthpiece. It is strongly recommended that goalies wear a goalie helmet and have mouth protection.

4. Players may not wear hats, earrings, necklaces, other jewelry or anything that may injure any player including any cast or metal braces on limbs.

5. Long hair should be tied back or tied with a headband.

6. Players will not be allowed to play if they are not in proper uniform, which includes safety equipment.

J. Referees

1. The referee has discretionary power from the time he/she enters the field of play, to the time he/she leaves the field of play, to caution (YELLOW CARD) or dismiss (RED CARD) any player, coach or parent/spectator who is guilty of aggressive/flagrant play, misconduct, outbursts, or unsportsmanlike behavior (flagrant or persistent infringement of any of the rules of the game).
Additional outbursts by players/parents/spectators/coaches may result in eviction from the field and the game being stopped and possibly forfeited by one or both teams.

The referee may suspend (Red Card) a player from further participation in the game if the player, persists in his/her misconduct after receiving a yellow card. The League Director will decide whether further discipline is necessary including recommending the players dismissal from the league to the Steering Committee.

2. Any player, coach or parent who is red-carded must leave the field complex. A report must be forwarded to the League Director on the cause for the red card.

3. The referee has the final word in any and all situations on the field. This includes the decision to shorten the periods in the event of extreme weather conditions. The League Director also has authority to shorten the periods.

K. Emergency Medical Care

1. At the first season’s first game and therefore each coach must show the referee his/her First Aid Kit. If the referee or League Director requests to see a First Aid Kit and it is not present at the game, the team will forfeit the game.

2. The coach is responsible for taking the First Aid Kit to all games and practices. Use your own common sense when rendering first aid. For kicks and trauma use a cold pack to the affected area.

L. Coaches’ Responsibilities To The League

1. It is the coach’s responsibility to act in a reasonable manner during the games with the referees, parents or players. He/she is a representative of the League/community and is setting an example for the children.

2. If a coach, assistant coach or community representative acts in an unreasonable manner either prior to, during, or after a game, the referee or Steering Committee members present may request in writing that he/she be expelled from the League.

3. It is the coaches’/community representative’s responsibility to present to the League Director:
   a. A player roster;
   b. Proof of baptism of each player (birth certificate);
   c. A consent form signed by the player's parent (Optional-doctor’s note stating that the player does not have health issues that would prevent him/her from playing soccer);
d. Proof that the community insurance liability policy is in effect for the soccer season;

e. League registration fee; and

f. Player ID cards for final review and validation.

M. Game Rules

1. Games will consist of two 25-minute halves for the GI/BI Division, 30 minutes for the GII/BII and 35 minutes for the GIII, BIII and BIV Division with a 5-minute half time break.

2. Substitution is permitted on any play stoppage for both teams. Substitutes must enter and exit at the midline.

3. Offsides are called.

4. Penalties may be called at the discretion of the referee.

5. The teams will play seven players on each side including the goalie. Prior to the beginning of the game, if both coaches agree, they may increase the number of players. They must notify the referee and play with that number until the end of the game.

   The maximum number of players for a game permitted is 11 on each side (see Game Procedures Section C 5 for additional rules).

   a. The opposing team must be outside the big area box when the goalie or any other player is kicking the ball from the penalty box in order to ensure that at least one pass out can be made.

7. GI/BI Division

   a. Overhead throw-ins can be re-done at the referees’ discretion until correct (up to the 3rd game).

8. Drop balls allowed.

9. Corner kicks are done from the corner flags or point designated.

10. All games will be refereed.

11. Goal defended will change at half time.

12. No slide tackles from the side or behind the ball handler will be allowed.
a. At the referee’s discretion the player committing this act shall be automatically red-carded.

b. Exception to this rule is the B3 and G3 Divisions. “Legal” slide tackles, as defined by FIFA rules, will be allowed for only these two divisions.

13. If a player is red-carded they will automatically leave the field and be suspended for one game. The team must play short the remainder of the game in which the red card was issued.

14. If a referee red-cards a player or a coach during the game for whatever reason, the referee must submit a written statement explaining the reason for the red card. If a player or coach receives a second red card during the season he/she will be suspended for 3 games and the League Steering Committee will conduct a review of the player or coach.

15. Three yellow cards in one season from a player or a coach will result in one game suspension.

16. If a player is injured he/she should remain down and a whistle will be blown to stop play. The coach will be summoned on to the field to assist the injured player or remove the player to the sideline. Even if the player recovers they must come out of the game until the next stoppage of play.

N. Courtesy Rule

1. As a courtesy, if a team coach/community rep. is absolutely certain that their team will not appear (not have enough players) at a scheduled game he/she should contact the League Director no fewer than two hours prior to game time. The Director will proceed to notify the opposing team and will issue a forfeit to the team that could not appear.

2. If it becomes evident that a coach/community rep. was notified in a timely manner of the non-appearance of a team and did not contact the Director a fine of $50.00 will be assessed against that community.

XII. D.A.D. Athletic League - Game Day Opening Prayer

Pregame Protocol

1. Both teams line up at center court/field facing each other.

2. If a priest is present, he should be asked to **address the crowd and the players** stating the following basic points. (If a priest is not present, then the site manager needs to **address the players and fans** stating the following statements before beginning the prayer):
   A. We are here to compete to the best of our ability.
   B. Although we represent our specific church, we are all brothers and sisters in Christ and part of the same Family of Faith.
   C. We remind the parents and fans viewing the game that in our enthusiasm of cheering for our players, please make sure that we cheer and support each player on both teams. Screaming at the coaches, referees and other players is not tolerated; and you will be asked to leave the gymnasium/field.
   D. Cursing in any form, will also not be tolerated.
   E. Please let us enjoy and take pride in all the players from each Church and enjoy the game/match.

3. The Opening Prayer
   A. In the name of the Father and the Son and the Holy Spirit, now and forever and unto the ages of ages. Amen.
   B. Our Father, who art in heaven, hallowed be Thy name.
   Thy Kingdom come, Thy will be done, on earth as it is in heaven.
   Give us this day our daily bread;
   and forgive us our trespasses
   as we forgive those who trespass against us;
   and lead us not into temptation,
   but deliver us from evil.
   C. *Then the following*: Lord, Jesus Christ, through the intercession of the Holy Theotokos and all the Saints, grant each player the strength to play to the best of their ability. Protect them from any injury and allow the bonds of fellowship and love to be fostered among the players of both teams competing today. For Yours is the kingdom, the power and the glory, of the Father and the Son and the Holy Spirit, now and forever and unto the ages of ages. Amen.
   D. Players and Coaches shake hands and the game/match begins.
